

Looking for a *Unique* Gift Idea?

The media center invites our CES families to participate in our Library Friends Program. By becoming a Library Friend, you will be helping the media center grow by adding books and educational resources to the media center for students and staff members.

Donating a book to the media center in your child's name is a great way to give to both the school and your child. Once you sign up to be a Library Friend, your child will be able to choose a book from our new book cart. A dedication to your child will appear on a label inside the front cover of the book. We will also take a photo of your child and "their" book for a special photo board that is displayed in the library. The child will be the first one to check out this new book and will receive a pencil and bookmark to keep. This is a great gift to commemorate a birthday, graduation, holiday, end of the year or some other occasion. Your child and everyone who uses the media center will love it!

Here is how the Library Friends Program works:

Donate \$20 to the CES Media Center and choose a book from the new book cart. We will take care of the rest of this gift. It is a wonderful lasting gift that will benefit the library.

Child's Name _____

Grade and Teacher _____

Donated by _____

Occasion (for the inscription) _____

Checks should be made payable to CES/Library Friends.
Completed forms may be sent to school with your child or placed in the mailbox for BJ Gilzean, Media Specialist or JJ Taylor, Media Center Paraprofessional.
Forms for Library Friends can also be found at the CES web site.
